Executive Summary

This report is the public deliverable “D8.2 Project Website” for the Combatting Diet Related Non-Communicable Disease Through Enhanced Surveillance (CoDiet) project, which has received funding from the European Union’s Horizon 2020 Programme under Grant Agreement No 754517.

This work was carried out as part of WP8 Dissemination, Communication and Exploitation. This document is intended at explaining the websites layout and content at launch.

The website will be continuously updated throughout the project, with content added, edited, or removed based on the needs of the project at the time.

1. CoDiet website

The CoDiet website is Deliverable D8.2, which is to be submitted in month 4.

The website has been established with appropriate protocol for updating information and will sit in the public domain.

The website will be utilised to maximise communication, dissemination and exploitation of the project throughout its lifecycle. The content and design have been formulated to clearly demonstrate the project goals, using language and imagery for an audience who will be predominantly made up of non-academics. The site has been built with a Responsive Web Design (RWD) to allow for optimal viewing across a wide range of devices (from desktop computer monitors to mobile phones).

The URL for the CoDiet website is as follows: www.codiet.eu

1.2.8. Get Involved

This page will not be available at launch, but will be developed and added to the site later in the project once there are concrete ways for third parties to get involve with the project. This could include participants for trials, potential academic/industry collaborators, etc.

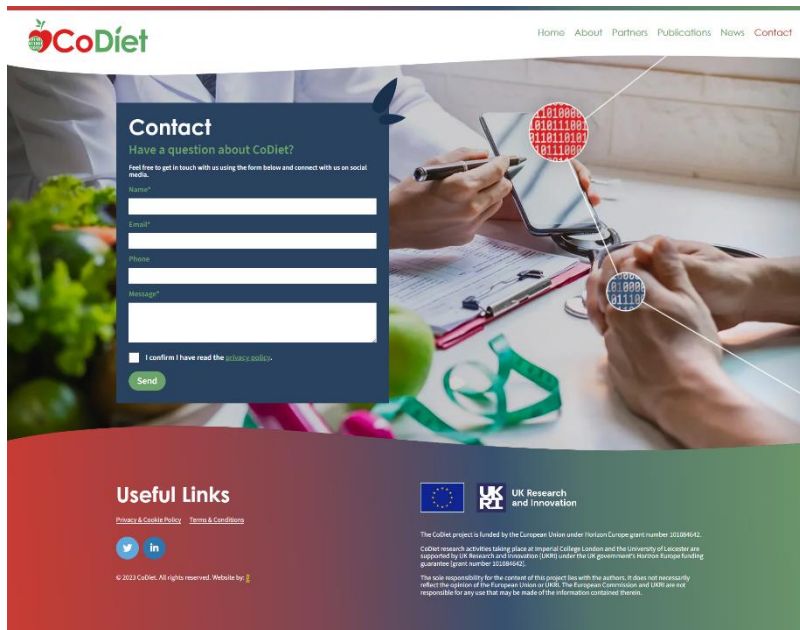

1.2.9. Contact

The contact page includes a form that visitors to the website can fill in to send a message to the project. This inbox is managed by Imperial College London, who will co-ordinate with members of the consortium to reply to queries.

The fields for the contact form are as follows:

- Name*
- Email*
- Telephone
- Message*

**Denotes mandatory fields*

The screenshot shows the CoDiet website's contact page. At the top left is the CoDiet logo. A navigation menu at the top right includes links for Home, About, Partners, Publications, News, and Contact. The main content area features a 'Contact' form with the heading 'Have a question about CoDiet?' and the subtext 'Feel free to get in touch with us using the form below and connect with us on social media.' The form includes input fields for Name*, Email*, Phone, and Message*. Below the message field is a checkbox for 'I confirm I have read the [privacy policy](#).' and a 'Send' button. The background of the form is a photograph of a person's hands holding a stethoscope over a patient's chest, with a green measuring tape and a clipboard nearby. At the bottom of the page, there is a 'Useful Links' section with links for 'Privacy & Cookie Policy' and 'Terms & Conditions', and social media icons for Twitter and LinkedIn. On the right side of the footer, there are logos for the European Union and UK Research and Innovation, along with text stating: 'The CoDiet project is funded by the European Union under Horizon Europe grant number 101084642. CoDiet research activities taking place at Imperial College London and the University of Leicester are supported by UK Research and Innovation (UKRI) under the UK government Horizon funding guarantee (grant number 101261642).
